

## NDARAKE LIMITED

Powerful data driven budgets through seamless integration.

### IDU EMPOWERED FINANCIAL MANAGEMENT

Ndarake Limited, a global proprietary software company uses IDU for their Budgeting, Forecasting and Reporting enabling deeper insight into their operating costs, allowing better expense management and increased efficiencies,

IDU integrates seamlessly with Xero making sure budgets are always up-to-date with the latest actuals data. Having instant access to up-to-date, accurate financial information has driven better decision-making for the Ndarake team.

The implementation of IDU ran very smoothly, the solution is cloud-based and extremely user-friendly, solving many of the problems previously experienced with spreadsheet-based budgeting. The finance team are able to administer the system and there is no need to rely on the IT Department.

Month-end reports are automated with the ability to extract useful insights at the click of a button, and even drill down into the general ledger if necessary.

**"Seamless integration with amazing customer support. IDU extracts real-time data from Xero, allowing us to report actuals against budget whilst having the ability to drill down to the transactional level." - Financial Manager, Ndarake Limited.**

### ABOUT IDU

IDU delivers top of class packaged budgeting, forecasting, performance management and reporting tools to simplify financial management. Our flagship product, IDU-Concept, provides easy, effective budgeting and financial reporting for medium-sized to large businesses. IDU-Concept integrates easily with ERP software, but unlike more cumbersome offerings, IDU-Concept can be implemented quickly, requires little or no ongoing consulting fees and reduces budgeting cycles from months to weeks.
